

LOCHINVER
HOUSE
PREPARATORY SCHOOL

Spring Term (first half)
Years 1 & 2 Maths Puzzle Competition

Full name _____ Class _____ Date _____

Can you create a bright and colourful *Maths About Me* poster?

Write a list of all the things about yourself that you could describe using numbers. Then, draw a little self-portrait in the middle of the paper, and start adding maths facts all around. You may decorate your poster with fancy borders and little pictures. Poster sizes can be A4 or A3.

Maths About Me poster ideas could include :

address
phone number
birthday and age
height
favourite number
weight and length at birth
number of teeth / lost
shoe size

number of houses / places you have lived in
class name in school

time you wake up or go to bed
how far you can jump
number of people in your family
number of pets you have had
number of letters in your whole name
number of times you have been somewhere
number of things you have (books, bikes, pieces of lego, etc.)

Enjoy being creative!

Competition entries to be handed in by Friday 8th February 2019
