

Something that makes me feel...

Each one of us can feel many emotions – in just one day! We can all feel good or bad.
Think about the emotions below and write what makes you feel that way.

Something that makes me feel...

worried

Something that makes me feel...

happy

Something that makes me feel...

curious

Something that makes me feel...

silly

Something that makes me feel...

grateful

Something that makes me feel...

excited

Something that makes me feel...

Each one of us can feel many emotions – in just one day! We can all feel good or bad.
Think about the emotions below and write what makes you feel that way.

Something that makes me feel...

confident

Something that makes me feel...

angry

Something that makes me feel...

love

Something that makes me feel...

sad

Something that makes me feel...

proud

Something that makes me feel...

brave

Something that makes me feel...

Each one of us can feel many emotions – in just one day! We can all feel good or bad.
Think about the emotions below and write what makes you feel that way.
